

MEXICAN LEADERS AGREE TO DISCUSS PEACE

DUNNE SIGNS LARGE NUMBER OF BILLS

All But Thirty Measures Passed By Assembly Receive Approval

THREE MAY BE VETOED

Legislature Will Meet This Morning to Receive Veto Mes- sages and Adjourn Sine Die

LIST OF MEASURES SIGNED

SPRINGFIELD, Ill., June 29.—All but thirty of the bills passed by the forty ninth general assembly which meets at 10 o'clock tomorrow morning to receive the governor's veto messages and adjourn sine die, have been signed. Included in the list of measures which have not received the executive signature, are at least three which very likely will be vetoed. The rest will either be signed or allowed to become laws without the governor's signature.

Bills Which Hang in Balance.
Bills which still hang in the balance include the "omnibus" appropriation bill, the normal schools appropriation bill, the Chicago park consolidation measure, the bill providing for state censorship of moving pictures, the Turner bill prohibiting the photographing of prisoners prior to conviction and the bill changing the manner of collecting fees by the state utilities commission.

House Bills Signed.
781 (Hothchild): Enabling cities and villages to release lands for park purposes.
37 (Gardner): Establishing a pension fund in counties over 150,000 population for officers and employees.
667 (Scanlan): Providing for the incorporation of mutual insurance companies.
186 (Mulcahy): Making it a misdemeanor to disseminate misleading advertising. Penalty \$10 to \$500 fine.

Regulates Accident Policies.
801 (Merritt): Regulates policies issued to accident and casualty insurance companies; provides that form of policy, class of risks and rates shall be filed with state superintendent of insurance.

347 (Gorman): Provides that an amount equal to one tenth of a mill on each dollar assessed valuation on taxable property within the school district be set aside for the teachers' pension fund.

254 (G. H. Wilson): Raising the amount of capital stock paid up before building and loan associations may commence business.

Regulates Practice of Optometry.
9 (W. P. Brown): Regulating the practice of optometry and providing for the appointment by the governor of a state board of optometry, to license optometrists and fixing penalty for practicing without a state license.

620 (Scholes): Providing maximum fine of \$300 or one year's imprisonment as penalty for hiring horse, vehicle or boat with intention of defrauding owner.
268 (Hicks): Giving corporations the right to organize to own real estate; site to embrace not over 80,000 square feet. Building must cost not less than one half the cost of the site and must be erected within five years from the time ground is purchased.

901 (Vickers): Prohibiting the disposal of property by raffle or lottery.

Provides Appraisal of Animals.
562 (Agricultural Committee): Providing for the appraisal of animals slaughtered on account of contagious diseases.

575 (Roads and Bridges committee): Authorizing the county board to specify the type of state aid roads to be built in the county.

45 (Hicks): Giving boards of education in districts having population of less than 100,000 power to borrow money and issue bonds, question of such bond issue to be submitted on a separate ballot.

538 (De Young): Amending the act in relation to administration of trusts.

84 (Mulcahy): Providing that all members of board of Mason examiners in cities over 150,000 population shall be practical masons.

876 (Donahue): Providing that in cities under the commission form of government it may be provided by ordinance that the board of local improvements shall consist of the

mayor and two or more of the commissioners.

695 (Judiciary committee): Provides that on every mortgage and trust deed on record when this act becomes effective where more than 20 years have elapsed from time indebtedness has been incurred lien on said mortgage shall cease by limitation, certain extensions being provided for.

Amends Automobile Law.
766, Title: Amending the automobile law by fixing the fee for registration according to horse power of car.

152 (Bruce): Providing that application shall be made jointly by husband and wife in adopting children.

80 (Herlihy): Gives veterans of the Spanish American and other wars the same civil service privileges that are accorded veterans of the civil war.

394 (Glackin): Amends section 56, of "An act concerning local improvements" by providing that the judgments of courts in the matter of assessments for local improvements shall be liens on the improvement for the payment of which provision, for the payment of which said special assessment is levied on the property assessed, until such judgments are paid or the property against which any such judgments is entered is sold to pay the same. The municipality on behalf of which such lien is created may sell and sign the same and either the municipality or the assignee of such judgment lien may at any time in its or his own name, file a bill to foreclose said lien in the same manner that foreclosures are by law permitted in case of delinquent general taxes; provided however, that no forfeiture of the property sought to be foreclosed shall have been had as a pre-requisite to such foreclosure.

Extend Compensation Act.
66 (Dailey): Extending the workman's compensation act to include additional employments, raises the minimum compensation for death and of weekly indemnity; broadens the power of arbitrators and authorizes circuit courts to review arbitrators' findings.

305 (Glackin): Authorizes the county board to establish and maintain a county tuberculosis sanitarium.

Re-enacts Wheel Tax.
380 (Ettelson): Re-enacting the wheel tax act in form correcting the defects pointed out by the supreme court in a recent decision declaring the former act unconstitutional.

271 (Hull): Appropriating \$10,000 to meet the expenses of the commission created to investigate pension funds to which the state is contributing.

391 (Broderick): Providing that mortgages on personal property may be acknowledged by either mortgagor or person authorized to act as his attorney in fact.

407 (Insurance committee): Permitting the organization of fire insurance stock companies with power to carry on casualty business.

345 (Manny): Appropriating \$125,000 for the purchase of land in Springfield for sites for additional state buildings.

**DOCTORS ANNOUNCE ARCHBISHOP
QUIGLEY IS SLOWLY SINKING**

ROCHESTER, N. Y., June 29.—Physicians who are at the bedside of Archbishop Quigley of Chicago, announced tonight that the prelate was slowly sinking. This morning he rallied slightly and gained consciousness, but he lapsed into unconsciousness this afternoon and has not rallied again. Eight physicians are attending him at the home of his brother, Joseph M. Quigley, chief of police of Rochester.

All members of the family are now at his bedside and this evening Edward W. Hoban, the chancellor of the archdiocese of Chicago, reached the city. It became known today that the archbishop is suffering from a combined attack of heart trouble and paralysis. Paralysis followed the heart attack and already is said to have affected the left side. Hope for his recovery has virtually been abandoned.

**GERMANY GOVERNMENT
TO EXPROPRIATE GRAIN**

Berlin, via London, June 29.—The German government has decided to adopt the same measure for the conservation of this year's crop of grain as were employed last year, expropriating all grain and fixing maximum prices for its sale. The expropriation will be in the hands of the communes, however, and the maximum prices will not be fixed until it is seen exactly how the harvest turns out. The same measure will apply to fodder.

**UNUSUAL INTEREST
ATTACHED TO SALE.**

New York, June 29.—Unusual interest attached to today's sale by the city of \$71,000,000 of 4-1/2 percent bonds, not only because of the magnitude of the offering the largest in the city's history but more particularly because of its bearing upon the general investment situation at this time. Considering the enormous cash resources available at this and other domestic centers and taking the attractive interest rate into account the result was said to be much below expectations.

HAVE NOT DETERMINED TENOR OF GERMAN NOTE

GERMAN FOREIGN OFFICE WORKING ON FOUR DIFFERENT DRAFTS

Berlin Official Circles State No Intimation of Contents Has Reached Washington—May Be Ready This Week.

Berlin, via London, June 30.—Official circles in Berlin are authority for the statement that no intimation respecting the actual contents of the forthcoming German note in reply to the American note bearing on the sinking of the Lusitania has reached Washington for the reason that those engaged in drafting the document have themselves not determined its tenor as yet.

The admiralty professes ignorance of its probable contents and nothing has been issued from that quarter. The foreign office is understood to be working on four different drafts and trying to select the one that will reconcile the viewpoints of Germany and the United States. The possibility that a satisfactory solution to the Lusitania problem might be reached was hinted at by an official of the foreign office who recently declared:

"President Wilson's note showed that the matter could be adjusted. It was the nature of a bridge across the trouble; our reply probably will be another girder strengthening that bridge."

The German note probably will be ready for transmission at the end of this week or early next week.

SLATON ARRIVES IN NEW YORK TO GO TO FRISCO NEXT WEEK

Former Georgia Governor Will Return to Atlanta in the Fall to Practice Law.

New York, June 29.—Former Governor John M. Slaton of Georgia declared in a statement here tonight "that the good people of Georgia" approved his action in commuting the death sentence of Leo M. Frank to life term in the penitentiary. Only the mob caused him any trouble, he said. He added that time would show the right and wrong in the Frank case.

Mr. Slaton who was accompanied by his wife, arrived here tonight. He will spend a few days in the Adirondacks and will leave next week for San Francisco. He expects to return to Atlanta on September 1st.

"It is untrue that I was caused any serious inconvenience by the demonstrations in Atlanta," Mr. Slaton asserted. "I attended to my duties there as usual. I practiced law in Atlanta for twenty-eight years before I became governor and I will practice there again next fall."

Mr. Slaton said he came to New York merely on a pleasure trip.

GILMORE DECLARES FEDS WILL PUT A TEAM IN NEW YORK CITY

NEW YORK, June 29.—The Federal League will be a permanent factor in baseball according to a statement made by James A. Gilmore, president of the organization at the close of a meeting here attended by representatives of all of the clubs. He also declared that plans had been completed to put a team in New York city next year. The financial backing for this club has been arranged, President Gilmore said, although he added that details could not be made public at this time.

According to the statement Boston men have asked the Federal League to add that city to its circuit. Bids already have been made for a Boston franchise it was said.

ANGELES' EFFORTS TO OBTAIN INTERVIEW WITH WILSON FAIL

CORNISH, N. H., June 29.—An unsuccessful effort was made today to arrange an interview here between President Wilson and General Felipe Angeles, the Mexican leader who recently came to the United States and who wants to give the president his view of conditions in Mexico and to suggest a way of meeting Mr. Wilson's warning that the situation there must change.

Col. Jesus M. Aguilar and Major Yreco A. Garcia, who said they were members, respectively, of the staff of Gen. Angeles and Gen. Raoul Madero, arrived during the afternoon bearing letters of introduction from Generals Madero and Angeles, but were told that details of the Mexican situation were being handled by the state department at Washington and that it would be impossible for Gen. Angeles to see the president here.

O'DONOVAN ROSSA DIES.

New York, June 29.—Jeremiah O'Donovan, better known as O'Donovan Rossa, Irish patriot and revolutionist, died in St. Vincent's hospital, Staten Island, late today. He had been ill for many months.

War News Summarized

The Russians now are making their stand on the Bug river. This great stream, which offers many advantages for a strong defense, rises near Zloczow, in Galicia, runs almost north, forms a great part of the eastern frontier of Russian Poland and joins the Vistula eighteen miles northwest of Warsaw. It is along the Galician course that the army of Grand Duke Nicholas is believed to have taken up strong positions.

Already the Austro-Germans have pushed the Russians back to the Bug river near Kamionka, northeast of Lemberg, and farther north have penetrated Russian Poland, capturing the important town of Tomaszow; they have also, according to the official report from Vienna, driven the Russians holding ground near Solec, northward as far as Krystianopol, a distance of about eight miles, and have taken Burstyn, north of Halicz.

An interesting incident of the war is the occupation of Scutari, Albania, by the Montenegrins. Two years ago in the Balkan war the Montenegrin troops captured Scutari after a long siege, and held it for a time against the protests of the great powers—Austria and Italy—being mostly concerned—but its evacuation was ordered by King Nicholas when the Montenegrin coast was blockaded by an international naval squadron.

The western zone is strangely quiet. Although the sector in which Arras is situated is still the scene of French efforts to gain ground, which in the final accounting would prove of immeasurable value to them, and fighting also has been going on in the Vosges, where the Germans captured positions held by the French on the slopes to the east of Metzlar, only to have them retaken.

In the French senate Premier Viviani and the war minister, M. Millerand, urging the passage of the appropriation bill, providing \$1,120,000,000 to cover the government expenses for the quarter beginning July 1, which was eventually adopted, made a plea for solidarity and patient effort. The war minister announced a vast increase in the production of ammunition and guns.

VETERAN COACH OF CORNELL CREWS HAS FRACTURED SKULL

Courtney Is Thrown Heavily Against Side of Car When Train Stops With a Jolt.

Ithaca, N. Y., June 29.—Charles E. Courtney, veteran coach of the Cornell crews is suffering from fracture of the skull. This announcement was made tonight by the attending physician of the coach who was removed to a hospital here shortly after his arrival from Poughkeepsie this morning. His condition while not alarming may be described as serious.

Coach Courtney sustained his injury on the train on which the Cornell crew went to Poughkeepsie on June 13th. The train stopped at Highland with a jolt and Courtney was thrown heavily against the side of the car. It was said on several occasions at Poughkeepsie that the coach bled from the nose and ears but he refused to consult a physician fearing he would be ordered to a hospital and could not coach his crews in the most important period of their training.

TRAIN BEARING MISS CLARK'S FIANCEE GOES INTO DITCH

BOWLING GREEN, Mo., June 29.—Reports reaching here tonight said the Chicago & Alton passenger train carrying James M. Thomson, fiancée of Miss Genevieve Clark, daughter of Champ Clark, and a large party enroute to the Thomson-Clark wedding slid into a ditch near here. Early reports said no one was injured.

The train was No. 10 from Kansas City to Chicago and was crowded with guests to the wedding, including almost the entire bridal party with the exception of Miss Clark. Four cars left the train and rolled into a ditch near Curryville, seven miles from Bowling Green.

The C. & A. passenger train No. 10, known as "The Hummer", passes through this city at 1:52 a. m.

**PRIVATE DETECTIVES
TO INVESTIGATE DEATH**

Joliet, Ill., June 29.—Representatives of a private detective agency in Chicago came here today to continue the investigation into the cause of the death of Mrs. Edmund Allen, wife of the warden of the state penitentiary. They conferred with the state's attorney and then went to the prison, where they will work under the direction of the state's attorney.

STATES UNDERWORLD EXISTS IN SOCIETY

INDIANAPOLIS PHYSICIAN SPEAKS AT HOMEOPATHIC CONVENTION

States Wrong Ideals Instilled in Minds of Young Women by Mothers Are More Potent Factors in Problems of Vice Than Commercialized Immorality.

Chicago, June 29.—Wrong ideals instilled into the minds of young women by their mothers are more potent factors in problems of vice than commercialized immorality, according to Dr. Albert A. Ogle of Indianapolis who spoke today before the bureau of sanitary science in connection with the annual convention of the American institute of Homeopathy.

"The time is opportune for a re-casting of our ideas regarding causes of immorality," said Dr. Ogle. "The popular theory that low wages paid women cause immorality is vanishing into thin air. The underworld in the public mind is largely misunderstood. We are pleased to think that immorality exists only in segregated districts, the underworld of sensational writers and the police courts. In reality the underworld exists throughout society from the lowest to the highest. At the very beginning of married life the foundation of the home and all future happiness are seriously menaced by the pernicious education of the young wives who have been allowed to develop the idea that they must not become mothers during the first year of their married lives."

"They marry but they refuse to assume their responsibility to state and the nation imposed by the marriage contract. Mothers talk freely and openly of domestic responsibilities as onerous. They lay stress on the advantage and of times on the necessity for a match that will improve both the financial and social standing. When speaking of possible children they do so in a derogatory manner and openly and repeatedly express the hope that their daughters will never have any. Such women belong to every class of society, within the portals of the church as well as without."

**MRS. J. S. HURST DIED
EARLY THIS MORNING**

Wife of Former Chief of Police Passes Away Following an Illness of Two Months.

Mrs. James S. Hurst died this (Wednesday) morning at 2 o'clock, following an illness of two months at the family residence, 331 South Clay avenue. She was 66 years of age and had been married 46 years the 29th of this month.

She is survived by her husband, one daughter, Mrs. Charles Corrington, three sons, James S. Jr., William and George all of this county and one grand-daughter, Mrs. Fred Eyles of Havana. She also leaves one sister, Mrs. Bright Littleton of Peoria and one brother, William Drew of Mt. Sterling.

Funeral arrangements will be announced later.

ATTORNEY GENERAL GREGORY INSPECTS PRISON AT ATLANTA

Hopes to Find a Way to Give Small Part of What Prisoners Earn to Their Families.

Washington, June 29.—Attorney General Gregory returned to Washington today after an absence of several days, most of which he spent inside the prison at Atlanta, Ga. He inspected the prison from the roof to the lowest cell, paid midnight visits to the inmates watched them at recreation, at work, at their meals and at rest during a quiet Sunday. Before he left he made a speech to the prisoners.

As a result of his visit Mr. Gregory said today he hoped to find a way in which federal prisoners may be put at work that will allow the government to give a small part of what they earn to their families. Labor of this sort would be only for the government and along such lines as would not bring the prison made goods into the open market.

"One great trouble with the present system," said the attorney general, "is that the families of prisoners often suffer more than the convict."

DETAIN SCHOONER LADEN WITH LARGE QUANTITY OF AMMUNITION

HOQUIAM, Wash., June 29.—Laden with a cargo of four thousand and old style Springfield rifles and one million cartridges loaded with dum-dum bullets, according to the captain the three masted schooner Annie Larson arrived at Hoquiam today short of both provisions and water. Immediately on her arrival she was seized by deputy customs collector R. L. Sebastian and tonight is in charge of deputies, until word is received from the customs collector at Seattle as to what is to be done with her.

RUSS ARE DRIVEN BACK ACROSS OWN FRONTIER

MUSCOVITES CONTINUE TO RETREAT BEFORE THE TEUTONS

Germany Seems Bent on Further Punishment of Russians Before Relaying the Intensity of Her Galician Campaign.

London, June 29.—Driven back over their own frontier north of Lemberg and forced to cross the river Gnila Lipa in Southeast Galicia, the Russian armies continue to retreat before the Austro-Germans along a front of approximately 250 miles, about equal to the distance between Arras and the Vosges.

Records Progress of Teutons.
The Berlin official communication records progress by the Teuton troops in virtually the entire southeastern theatre, although violent fighting is still in progress beyond the Gnila Lipa, which joins the Dniester at Halicz. Having forced a passage of this stream, General Von Linsingen's army is presumably astride the railway running from Halicz to Lemberg and Stanislaw and now doubtless is aiming at the line which runs from Lemberg to Odessa through Tarnopol.

It seems evident that Germany is bent on further punishment for the Russians before relaxing the intensity of her Galician campaign, but with the Russians across the frontier, the Germans will have to rely almost solely on road transport and their advance will necessarily be slower.

Contains Note of Anxiety.
While the British press is still voicing the hope that Russians will soon find a tenable line and deliver a counter blow, there is a note of anxiety in nearly all their accounts together with the warning that either the capture of Warsaw or the seizure of the great railway lines which supply it would be disastrous to Russia and would surely be followed by another general German offensive in the west.

Notwithstanding the French attacks around Arras it is argued that the Germans must feel comparatively secure in the west, else they would not have risked their tremendous enveloping move against the Russians. The French are persisting in their assaults in the neighborhood of Arras but without appreciable change in the situation.

**MIDSHIPMEN WILL START ON
CRUISE THROUGH CANAL JULY 7**

WASHINGTON, June 29.—Secretary Garrison announced that the naval academy midshipmen will start through the Panama canal to San Francisco. The sea trip had been postponed because of the inquiry into examination irregularities at the academy.

Captain Russell, president of the court, was instructed today to hold night sessions if necessary to complete the inquiry in time for the cruise.

**THREATEN RESUMPTION OF
RACE WAR AT JOHNSTON CITY**

Duquoin, Ill., June 29.—The resumption on an intermittent race war between foreign and American miners was threatened at Johnston City, Ill., near here today as a sequel to the lynching of Joe Franco, a foreigner, several weeks ago.

The present outburst of ill feeling seems to be directed chiefly against Dr. M. Henriksen, an American physician, and Jack Corso, a foreigner. Dr. Henriksen has been ordered to leave Johnston City and Corso's home has been attacked, it is believed, by his countrymen.

**CIVIL AUTHORITIES
ASSUME JURISDICTION**

Atlanta, Ga., June 29.—Georgia civil authorities assumed jurisdiction today over the cases of the twenty six men arrested by the militia Saturday near former Governor Slaton's home after demonstrations against commutation of Leo M. Frank's sentence. Decision not to try the case by military court was reached at a conference among Adjutant General Nash, Solicitor Dorsey and Judge Hill of the superior court.

BRYAN SPEAKS AT LINCOLN.

Lincoln, Neb., June 29.—W. J. Bryan in an address in Lincoln tonight on the "farmer, a friend of peace" told Lincoln people they were fortunate in being so far removed from what he regarded as the baneful influence of the newspapers of the east, particularly New York, some of which he accused of preaching the cause of war.

HYDROPLANE TO MAKE FLIGHTS

Peoria, June 29.—President Harris of the Peoria Aero club announced tonight that a new four-passenger hydroaeroplane would make three flights at the annual regatta of the Mississippi Valley Power Boat association at Hannibal, Mo., on July 5, 6 and 7.

VILLA TO CONFER WITH GEN. OBREGON

Robles Claims to Have Brought About Agreement

TO MEET ON BORDER

Former Member of Gutierrez Cabinet Says Conference Will Be Held Within Two Weeks

DOES NOT REVEAL TERMS

EL PASO, June 29.—Jose Isabel Robles, minister of war in the cabinet of Eulalio Gutierrez, is authority for the declaration that the leaders of the two larger warring factions have agreed to discuss terms of peace, perhaps within two weeks.

Since the overthrow of Gutierrez' government Robles has not been identified with either Villa or Carranza factions and was chosen by those anxious to end the war as an intermediary, according to his story, related here tonight.

Do's not Reveal Terms.
Robles has not revealed any terms of agreement he claims to have brought about, but says that by the middle of July Villa will be on the border and will be met here by Obregon, the two sanctioning the conference that then would be held.

He intimated that the success of his work has been hastened by fear created at headquarters both of Villa and Carranza that the revolution popularly believed about to be begun by Huerta would so complicate the general situation in Mexico that the United States government might intervene.

Arrest Wealthy Mexican.

El Paso, Tex., June 29.—Jose Zozaya, a wealthy Mexican here, was arrested today on charge of conspiring to set on foot a military expedition against a friendly country in violation of United States neutrality. He was released on \$7,500 bond for hearing before United States Commissioner George Oliver Thursday. The arrest of Zozaya is the first since Victoriano Huerta and Pascual Orozco, former Mexican leaders, were placed under detention Sunday.

The general charges against Zozaya are similar to those made against Huerta and Orozco, the three having been named in the complaint filed Sunday.

Additional specific accusations are made against Zozaya including the alleged purchase of five machine guns, 500 rifles and a quantity of ammunition.

About two weeks ago it became known that federal authorities had discovered a number of machine guns and rifles in a warehouse owned by Zozaya but nothing was disclosed to indicate the ownership of the munitions of war.

General Huerta continued his conference with former Mexican generals today.

Angels Denies Intimations.

Washington, June 29.—General Felipe Angeles, right hand of General Villa came to Washington to deny intimations that he was involved in the activities of Victoriano Huerta and his associates and at the same time to learn the sentiment of officials toward the Mexican problem.

The general issued a statement saying that he was opposed to Huerta and that he represented in Mexican politics and that after a brief stay here he would go to Sonora on a private mission for General Villa, returning thereafter to the battle front to remain with his chief.

STRUCK BY AUTOMOBILE.

Tuesday about 12:30 p. m. Samuel Rhoades, a colored man was hit by H. S. Greenstone's automobile on South East street. The accident occurred at the intersection of South East and Franklin streets. Rhoades was taken immediately to Passavant hospital in Mr. Greenstone's car where he was attended by Dr. Walter L. Frank. It was found that he was badly bruised and suffered from two cuts on the head. It is not thought that his injuries are serious.

Mr. Greenstone was driving south on South East street when Rhoades turned into East street from Franklin street riding a bicycle. Mr. Greenstone says Rhoades was riding with his head down and did not see that the car was approaching. Mr. Greenstone says that he was driving at a speed of about eight miles an hour. He endeavored to stop his car but could not do so and it crashed into Rhoades who was hurled to the pavement. Miss Laura Boylan who is a clerk at the Emporium was riding in the car at the time and was badly frightened by the accident.

Rhoades lives at 650 South West street. He is a well known colored resident and has many friends who will regret to hear of the accident.

There was nothing particularly significant in the change of plans made by Germans in Chicago and their determination to postpone the address announced to have been given by William J. Bryan this week. There was some difficulty about securing the assembly hall and then there was some disagreement about the subject to be discussed. Mr. Bryan was willing to give his lecture on universal peace, but was not ready to discuss the question of the right or wrong of the United States shipping ammunition to the allies. He recognized that a large per cent of his German auditors would have their minds already made up on that question and that there was nothing to be gained in taking sides with them and that it would be practically impossible to remove their racial prejudices with reference to this question.

Hope for the End.

While the press dispatches still continue to carry forward somewhat extended details of the trial now going on as to the sanity of Harry Thaw, the public, after reading about him and his affairs interminably for the past nine years is thoroughly tired of the subject. Despite his unsavory record, there seems to be a somewhat broad sympathy for Thaw, and there are a great many people who, while disgusted with reading about the continued efforts to have him freed, are hoping that at the present inquiry he will be declared sane, freed from custody, and that nothing further may be heard about him in a public way.

Money at Bottom of Strife.

Seemingly prompt action on the part of the United States government in placing Huerta under arrest at El Paso nipped in the bud a plan to introduce another revolutionary campaign in Mexico. But other than the fact that while provisional president of Mexico, Huerta sent rather impudent messages to the United States government and at one time refused to salute the stars and stripes, he seems to be on just about the same plane as the other revolutionary leaders now largely responsible for the turmoil in Mexico.

After Huerta arrived in the United States some weeks ago it was announced that he gave evidence of expecting to become a citizen of New York and that he was investing quite largely in Wall street. Evidently the deposed provisional president is abundantly supplied with money, and right there is the crux of the whole matter in the various revolutions that have resulted in such widespread carnage and suffering in Mexico. The rule seems to be for each leader to amass just as much of a fortune as is possible through taxation and robbery, during the brief period of his ascendancy, and the craving for money accounts for most of the trouble.

Relieve in Flat Electric Rates.

It appeared from statements made in Springfield Tuesday that the petitioners in both the Springfield and Jacksonville rate cases are not only hoping that the utility commission ruling will give lower rates for gas and electricity, but also the direction that the public is entitled to flat rates.

This hope is predicted from the theory that in public service propositions one man is entitled to just as low a rate as another, regardless of the quantity consumed. The advocates maintain that public service business is entirely different from a private business in this regard and that whereas in private matters it may be proper to give the advantage to the large purchaser as against the small, that the case takes on an entirely different aspect in public service propositions. It is argued that a public service corporation exists by virtue of certain concessions or rights made to it by the public and that regardless of the wealth or position of citizens, each one contributes equally in this total of concessions. The theory is not only that the small taxpayer contributes as much as the large taxpayer, but also that in this sense of concession to a utility company granted a franchise that a renter holds the same position as a taxpayer in that the rental he pays for the use of property is the equivalent of taxation.

A. D. Stevens, who is a senior counsel for the petitioners in the Jacksonville rate case, illustrated this point of view yesterday by stating that in a certain part of Switzerland there is public provision of a fixed rate for the pasturage of three cows for each citizen, and that if any citizen owns four cows and desires to pasture them on the public domain, that he must pay a higher rate for the fourth cow than is charged for each of the three other animals.

This makes clear the whole general proposition that in certain concessions that the larger the user there should not be a corresponding lower rate, but that if any variation in the rate should be higher, since the large utility consumer is using up a greater amount

of property or rights belonging to the public in common. Willis J. Spaulding, Springfield commissioner, who has been so active in the utility discussion and litigation holds to this theory, and it found advocacy in discussion also by Mayor Rodgers, J. J. Reeve and Dr. Rowe. The advocates of this idea do not say that every consumer of every class should pay exactly the same rate, but they mean that every consumer purchasing the same class of service should pay the same rate, regardless of the amount consumed. They agree that there should be a lower rate for electric power than for electric light, but say that power users should be upon the same basis and light users upon the same basis.

This theory is somewhat in advance of the thought of the average citizen, but has much in it which appeals. More and more the people are arriving at that mental status where they believe that franchise rights differentiate very materially from the rights of private individuals, and they say that there is much reason in the predication that the rights granted to a corporation by the common action of the people as a whole cannot be judged by the same rules of valuation as the private business rights of an individual or a corporation.

Doubtless advocates of this idea believe that as performance of service is said to be public ownership's first aim, and making money the first aim of private enterprise, that the chief purpose of utility corporations should also be performance of service, since their very life depends upon concessions granted by the public.

Women in the News

Newark, N. J.—To the widows of fashion is due the financial embarrassment of a big dye house in this city. The affairs of the LaBlain company will come before the court of chancery tomorrow. Officers of the concern state that the styles today—low necks, short sleeves and short skirts—have so greatly reduced the cleansing and dyeing business that ruin faces them. Other concerns throughout the country catering to women report similar conditions.

New York—According to Vice-Chancellor Stevenson, sitting in Jersey City in a suit for divorce, the undeniable right of a woman to falsify about her age, even to deceiving a man she is about to marry, must be upheld. That his wife discounted her age by 17 years is the plea of Wade Robinson, a marine insurance broker. The judge held that misrepresentation of age, social position or wealth on the part of either party to a marriage does not constitute grounds for divorce.

London—Earl Kitchener has recently paid honor to Dr. Elizabeth Garrett Anderson, who was the first woman mayor in England, was arrested a few years ago as a militant suffragette and although now dean of the London School of Medicine, was forced to go to France for her medical degree years ago. The recognition of this remarkable woman by the secretary of war is in the form of an appointment to establish a military hospital near London. She receives the rank of major in the British army. Dr. Anderson is now 79 years old, but she retains much of her youthful appearance, despite silvery gray hair. She was mayor of her native town, Aldeburgh, in Suffolk, in 1908. Her father had been the first mayor of the city.

Paris—Madame Henry Saint-Paul de Sineay, who was Miss Mary Louise Logan, daughter of the late Major John A. Logan, of the United States army, who was killed in the Philippines, is conducting one of the largest war hospitals in Belgium. Her hospital is located near the monastery of the Carthusian monks at Neuville-sous-Montreuil. There are 700 under treatment, of whom 600 are non-combatants who were mutilated by shells or bullets or stricken by disease. She has 93 assistants, many of them nuns.

New York—Legislation affecting women had a large part in the work of the state legislatures this spring. Labor laws for women were enacted in Kansas, Maine, Massachusetts and Wyoming. Maine established a 54-hour-a-week law for women and youths under 16 in mills, factories and laundries. Massachusetts forbade the working of women and children overtime to make up for time lost on legal holidays. Wyoming enacted for her women an 8-hour day while Kansas passed laws for maximum hour and minimum wage for women. Idaho also appointed a committee to investigate a proposed minimum wage law for women.

Bowling (Green, Mo.—The most envied girl in America today is Miss Genevieve Clark, daughter of the speaker of the house of representatives, who is to wed on Wednesday. For congress, over which her illustrious father presides, has bestowed on her as a wedding gift a necklace containing 202 diamonds, the whole of Missouri is bestowing its tribute to the bride in congratulatory and her romance is a happy, genuine love affair. Under the giant locust trees at "Honey Shuck," the Clark homestead, the marriage will take place. It promises to outline any previous wedding in this section of the country, for Miss Genevieve, like her father, is beloved by all classes of Americans and is genuinely democratic in the matter of weddings, as in all other affairs of life.

Asbury Park, N. J.—To prepare for a whirlwind suffrage campaign among summer visitors, a grand rally of shore suffrage workers will be held tomorrow night at the Auditorium at which Dr. Anna Howard Shaw will speak. Western women are here working for suffrage at the resorts and touring in automobiles nightly.

New York—Miss Winifred Holt, keeper of the "Lighthouse," the fa-

mous blind institution in New York, has sailed for France to organize a corps of workers abroad to look after the needs of victims of the European war who have lost their sight. A plan to teach them to be self-supporting will be tried out and regular courses of training looking to this end will be established in Europe.

MERCHANTS TO ACCOMMODATE JULY FOURTH VISITORS

Hearty Welcome Will Be Given
Visitors at Independence Celebration
By Citizens in Various Lines
of Business.

Quite a majority of the business houses on the square and adjacent streets are planning to remain open on the occasion of Jacksonville's grand Fourth of July celebration on next Monday, in order to afford accommodation and conveniences for the crowds which are expected to visit the city on that day.

Many of the stores will provide special rest rooms and all of them will welcome the visitors by providing free ice-water, chairs, checking facilities, wash-rooms, telephones and in other ways by administering to their comfort and welfare.

The merchants have been very liberal this year in their subscription to the expense fund of the celebration and it is their further desire to do all in their power to afford all who come as their guests, a day of genuine enjoyment and pleasure in every possible way.

Opportunities will also be given for shopping and special bargains will be the rule in many places.

A few of the stores on the square having made previous arrangements will not be open but the following places of business according to Secretary Weber of the Chamber of Commerce will remain open as indicated:

Open All Day.

NO BOOTLEGGING CASES WILL BE TRIED IN JULY

No bootlegging cases will be tried at the present term of the county court. This was determined at a conference between Judge Thomson and States Attorney Tilton, Tuesday. It had been previously the intention that the bootlegging cases should be set for the week beginning July 6th. Yesterday when the several cases were called up for setting, States Attorney Tilton made motions for continuance. He then made it clear that he preferred continuance until next term for all of the cases. It is understood that the states attorney's action was prompted by a feeling of dissatisfaction with the jurors summoned in the special panel. He had the feeling that the greater number of the jurors are not in sympathy with the local option law. It is understood also that members of the committee of twenty-five have conferred with Mr. Tilton about this matter and that the action taken Tuesday was the result of their composite judgment.

MORTUARY

Trust Company Service

That the highest degree of efficiency in the administration of estates is attained by trust companies is becoming well recognized.

Wealthy and far-seeing men commit the management of their estates to trust companies because their wisdom and experience prove this course to be safest and best.

Why should not the family of the man of moderate means enjoy the advantage and protection afforded by trust company service? Prompt, efficient administration that will conserve the small estate and protect its beneficiaries is far more important to the family of moderate means than to the one of wealth.

This company gives the small estate the same careful attention as the large one. Its fees are controlled by law, cannot be greater than those allowed individuals, and in most cases, considering the service rendered, are less.

MATRIMONIAL

Hagan-Flynn.

The wedding of Hugh Hagan and Miss Margaret Flynn took place yesterday morning at St. Bartholomew's church at Murrayville, and was witnessed by a large number of people. The ceremony was impressive and solemn and at the close many congratulations were tendered the young people. They were attended by William German and Miss Rosa Flynn, sister of the bride. The newly married pair will at once go to housekeeping in their home on Howe street. Mr. Hagan is in the employ of Martin Bros.

Ward-Fundel.

Rev. W. R. Johnson of White Hall officiated at the marriage of two well known Scott county young people at Glasgow Sunday evening, when Mr. John Ward and Miss Kate Fundel were united in matrimonial bonds.

The groom is county superintendent of schools in Scott county and his bride is a young lady well and favorably known in her locality.

Clough-Robinson.

Deane Clough, only son of Mr. and Mrs. John Clough, and Miss Emma Robinson, daughter of Mr. and Mrs. R. R. Robinson, both of Carrollton, were married in St. Louis last Thursday. The bride is a school teacher and the groom is a prosperous farmer.

Herrmann-DeSilva.

The marriage of Bernard Herrmann and Miss Gofen DeSilva took place Monday evening in the St. Matthew's church in Bloomington, Rev. William Baker, the rector, officiating. The bride was attended by Miss Marie DeSilva, a sister of the bride, and Miss Lena Herrmann, a sister of the groom. The groomsmen were Albert Herrmann, a brother of the groom, Sylvan DeSilva, a brother of the bride, and George Cox.

The bride wore a gown of white embroidered voile and veil caught with orange blossoms and carried a bouquet of bride's roses.

Following the ceremony a dinner was served to thirty guests at the home of the bride's parents, Mr. and Mrs. Frank DeSilva.

The bride was born and reared in Jacksonville and lived here until seven years ago when she went to Bloomington. Mr. Herrmann is the son of Mr. and Mrs. Carl Herrmann and is employed in one of the leading stores of that city.

Mrs. Alice Bennett, of this city, grandmother of the bride, was among the out of town guests.

Flynn-Stout.

Mr. Howard Stout and Miss Flossie Flynn were married Tuesday evening by Rev. J. W. Crowe at his residence on East State street. The attendants were Miss Nettie Howard and William Doolin.

The bride is the daughter of Mrs. N. Flynn of 892 Doolin avenue and is an attractive young woman. Mr. Stout is the son of George W. Stout of 342 West Court street.

Following the marriage a luncheon was served at the home of the bride, a large number of the friends of the young people being present.

The groom is in the employ of the Woods Transfer company and the young people will live with her mother for a while. They received a number of beautiful presents.

McLain-Henderson.

The many friends of R. L. McLain and Miss Maude Henderson will be surprised to hear of their marriage in Hannibal, Mo., October 31, 1914. The bride is a resident of Jacksonville and the groom of Pisgah. They will make their home for the present with the bride's mother, Mrs. J. H. Henderson.

REVENUE FIGURES GIVEN IN RATE CASE

HEARING ON LOCAL UTILITY AFFAIRS CONTINUED BEFORE COMMISSION.

Light Company Reports Show Receipts Have Grown but not Nearly as Fast as Expenditures—Commission Finding Expected Soon but Court Appeal is Likely—Figures from Accountants Tabulated Statements.

Out of the maze of figures presented before the Illinois utilities commission Tuesday at the further hearing of the Jacksonville rate case, an observer was able to gather but little other than that according to the records of the Railway and Light Company, the total company revenues have increased considerably during the past four years but have by no means kept pace with the increase in expenditures. These figures indicate that the gross revenues in 1914 were \$173,481.23, with a net revenue of \$67,824.17; while in 1911 the gross revenue was \$163,819.56 and the net revenue \$89,330.90.

Final evidence is to be presented and argument made at a hearing in about three weeks.

The witnesses examined during the day were R. H. Peck, an electrical engineer, U. S. Little, a gas engineer, and C. H. Hubbel, an expert accountant, all of them in the employ of the utility commission. The hearing began at ten o'clock Tuesday morning before Commissioner Shaw and continued until twelve o'clock when an adjournment was taken until two in the afternoon. Then the examination of witnesses and the introduction of schedules occupied the time until five o'clock.

Appeal Seems Likely.

It seemed apparent from watching the progress of events that Mr. Green, attorney for the Railway and Light company, was paying the way for a record to be introduced in the circuit court following the finding of the commission. In other words, the general opinion seemed to be that, based on the ruling of Commissioner Shaw and upon the evidence of employees of the commission which have indicated that the commission has an entirely different idea than the company of the physical value of the local properties, that a finding is anticipated which will require the company to scale down at least its electrical rates and to improve the service from the gas plant. The commission law provides that appeal may be taken from the finding of the commission to the Sangamon county circuit court, and just as has been true in other hearings yesterday Mr. Green gave indication that certain of his questions were made in an effort to get into the record certain questions and answers which might be of advantage if the case comes before the circuit court on its legal aspect.

Just as frequently as questions of this character were propounded by Mr. Green objection was made by A. D. Stevens, senior counsel for the city of Jacksonville and at numerous times there was quite a spirited display of repartee, which often enlivened court hearing, otherwise somewhat prosy. Commissioner Shaw has all along shown a disposition to be fair but has seemed to recognize that the interests of the people are paramount.

The Jacksonville rate case was filed on petition more than year ago and while to those most interested it has seemed that there have been unnecessary delays, when the matter is looked at from a broad aspect it is recognized that the whole case is being handled in a very detailed way and that the investigations have taken on many ramifications which necessarily consume a vast amount of time. No doubt the investigations and the compilation of figures have been handled in such an exceptionally thorough way because the case will likely to be used as a precedent for petitions filed before the commission from other cities. The questions to be passed upon are therefore of wide interest to utility companies and to the general public, and as intimated above, while the hearing has taken a considerable amount of time already, the indications are that the end is not yet in sight—that is, in its ultimate finality. So far as the company and the commission go, it is reasonable to expect that it will not be very long until a ruling is made, but if an appeal is taken the case is very likely to drag along in the courts for an extended period.

One point of special interest was discussed outside the hearing yesterday, and that is as to the time when any lowering of rates ordered by the commission would be effective. Commissioner Willis J. Spaulding of Springfield, who has been very active in the Springfield rate case and who can properly be credited with having made somewhat extensive investigations along the line of public light and water problems, said to a group of men that when a finding is made by the utility commission that it will take effect at the date indicated in the order by the commission notwithstanding any appeal.

In other words, his statement is that the ruling of the commission will stand until it is set aside by an adverse opinion from the court.

Many Utility Men Present.

At the hearing yesterday the petitioners were represented by A. D. Stevens of Springfield and John J. Reeve of Jacksonville, and other Jacksonville citizens present were Mayor Henry J. Rodgers, Dr. Edward Bowe and George E. Doying. As at former hearings the principal spokesman for the railway and light company was H. I. Green of Champaign. So much of the discussion centered about technical matters that L. E. Fischer, formerly general manager of the Illinois Traction system and a man considered an expert in electrical affairs, sat very close to Mr. Green and made suggestions upon which most of the questions asked were founded. H. E. Chubbuck and W. B. Miser were also frequently in consultation with Mr. Green. Other representatives of the traction system were George N. Mattis, treasurer; B. E. Bramble, general auditor; E. S. Hight, electrical engineer; W. R. Morrison, construction engineer; W. J. Scherpobel, accountant; C. T. Handeling, general manager of interurban lines. Other spectators especially interested in utility matters from an owners' standpoint were Edward Bell of St. Louis, Frank Baker and George Heil of Chicago.

W. R. ROUTT ENDED LONG LIFE TUESDAY

Prominent and Wealthy Citizen
Passed Away Following Stroke of
Apoplexy—Had Been Resident
Here Since Childhood.

At 10:30 Tuesday morning Wil-
liam Reuben Routt died at his home
in South Jacksonville at the age of
83 years, having been born April 1,
1832. He had not been in very
good health for some time, having
been afflicted with something akin
to paralysis for several years. The
stroke of the death of his son Har-
vey accelerated the trouble and he
suffered another slight stroke about
that time and another a short time
since ended his life.

Mr. Routt came of a fine family
and in a bible, the valued family
property, are the following en-
tries:

Charles Springer, born June 12,
1768.

Catharine Runyon, born Nov. 16,
1775.

Penelope Stout, born Oct. 19,
1778.

Reuben Runyon Springer, born
Nov. 16, 1800.

Catharine Maria Springer, born
March 5, 1803.

Caroline America Springer, born
Sept. 28, 1805.

Charles Crandison Springer, born
Dec. 21, 1807.

Charles Gordon Springer, born
Feb. 19, 1810.

Mary Runyon Springer, born Jan.
22, 1815.

Samuel Rannels, born Aug. 1,
1812.

Charles L. Routt, born Sept. 13,
1823.

Caroline Routt, born July 5, 1829.

William Reuben Routt, born April
1, 1832.

Reuben R. Springer and Jane
Kilgour, married in the Catholic
church in Cincinnati, Jan. 30, 1830.

Charles and Catharine Springer,
married Jan. 2, 1830.

Harvey and Catharine Maria
Routt married April 13, 1822.

Samuel M. and Mary F. Run-
nells, married Nov. 11, 1835.

These entries are given just as
they appear. The one named Sam-
uel M. Rannels was here known as
Mr. Rannels, father of Charles S.
Rannels.

Mr. Routt was born in Woodford
county, Kentucky, and was the son
of Harvey and Catharine Maria
Routt, mentioned in the genealogy.

At the age of two years he was
brought by his father to Morgan
county, which has since been his
home. The family settled on a farm
eight miles southeast of Jackso-
ville, and it was there that the chil-
dren attended the schools of the
day.

Mr. Routt was a man who had a
great predilection for Morgan coun-
ty land and an early investment by
him was a farm in the neighborhood
in which he had been reared. He
inherited more from his father a
great deal more from his brother,
Charles L., who died in 1894, and
also largely from his uncle, Reuben
Springer of Cincinnati, a multi-
millionaire merchant. He managed
his large interests with skill and
wisdom and at the time of his death
was regarded as one of the wealth-
iest men in Morgan county.

In addition to his farm property
he owned extensively in the way of
city property, at one time was a
heavy stockholder in the Jackso-
ville Gas and Electric Light com-
pany; was also a stockholder in the
Elliott State bank and its vice-pres-
ident. He was also a prominent
citizen, but was not an especially ac-
tive politician and would not accept
nomination to any kind of office.

Mr. Routt was reared in the
faith of the Christian church, of
which he became a member at the
age of 16, and for years held the
honorable offices of both elder and
deacon, but in 1896 he and his wife
decided to embrace the Roman Cath-
olic faith and united with the church
of Our Savior of this city. To this
organization and its religious enter-
prises he was extremely liberal. He
gave the church a fine pipe organ,
built an addition to the hospital, gave
the property occupied by the
Routt club, gave \$15,000 toward the
erection of Routt college endowed
with \$50,000 the day of its dedica-
tion and has done much more be-
sides, amounting in all to probably
\$175,000 or \$200,000.

For upward of thirty years Mr.
Routt had been a resident of what
is now South Jacksonville, and he
and his son Harvey carefully guard-
ed their great interests and man-
aged them well. The death of his
son his only child, was a great blow
from which he did not recover.

Mr. Routt was married in 1870
to Miss Martha Ann Ransdell of this
county and they were the parents of
one son, Harvey, who passed away
not long since. He was the only
remaining member of his family, his
brother William having died in 1894,
and his sister, Mrs. Lewis, several
years ago.

The deceased was a man widely
known and respected. He was a
person of superior business qualifi-
cations and his judgment was excel-
lent. He was scrupulously hono-
rable in his dealings and once his
word was given it was a lien on
all he owned. His home life was truly
beautiful and he as much devoted to
his loved ones. He had a fine library
and his residence contained all
that wealth could supply to make
life pleasant. He was a good neigh-
bor and loved to grant favors to
those who came to him for help.

His death marks the end of the career
of an upright, honorable man and
one who will be missed in many
ways.

The funeral will be conducted Fri-
day morning in the Church of Our
Savior at 9 o'clock in the forenoon.
Burial will be in Calvary cemetery.

WILL PREACH IN WOODSON.
The Rev. C. G. Cantrill and the
Rev. Mr. Morton will preach at
Woodson Christian church this eve-
ning.

MRS. WARREN C. GREEN CALLED BY DEATH TUESDAY

Succumbs to Illness of Eight Weeks'
Duration—Funeral Will Be Thurs-
day From Family Residence.

Mrs. Lucinda Green died at the
family home, 1909 West State street,
today, after an illness of eight
weeks. During her illness Mrs.
Green was a great sufferer, but she
bore it all with Christian resig-
nation, and when the end came she
was prepared to go.

The deceased was the daughter of
William and Polly Thorton and was
born in Whitford Center, Mich.,
December 26, 1849. July 27, 1870,
she was united in marriage to War-
ren C. Green. After their marriage
they resided in Kinderhook, Griggs-
ville and Mason City and in Louisi-
ana, Mo. In 1876 they came to
Jacksonville, where they have since
resided.

Mrs. Green united with the Metho-
dist church in Griggsville in 1872.
Since then she has always been an
active worker in the church, so far
as her health would permit. She
was always an advocate of every
good cause.

She is survived by her husband
and one son, Ernest W. Green of
Fort Smith, Ark. The son has been
with his mother for several weeks.
One child died in 1878 at the age
of three and one-half years. She is
also survived by two brothers, New-
ton and Edgar Thornton.

Funeral services will be held
from the family residence Thursday
afternoon at 2 o'clock, and will be
in charge of the Rev. J. W. Miller,
pastor of Grace church, assisted by
the Rev. G. W. Flagg, the latter
who has long been a friend of the
family. Interment will be in Dia-
mond Grove cemetery.

Mr. Green has furnished the fol-
lowing excerpt from a sermon by
the Rev. R. A. Brown of Milford as
a tribute to the memory of Mrs.
Green:

"Long before the widows of Jop-
pa stood before the bier of Dorcas,
weeping and showing the coats and
garments she had made while she
was with them; long before it was
said of her, 'This woman was full
of good works and alms deeds which
she had done,' and ever since then,
women have been ministering angels
of mercy, to whom the world and
the church are infinitely indebted.
And it always seems a pity when
such as Dorcas die, that Peter is not
present to bring them back to life."

"The woman worker—oh how she
toils and sacrifices! You know her;
you know her well. She is not
one, but one of very many. How
she toils with hand and heart! You
know that toil and sacrifice are
taking the roses from her cheek
and that pain is her constant com-
panion, but you cannot stop her
from working. She keeps right on,
and it always seems a pity when
such as Dorcas die, that Peter is not
present to bring them back to life."

GIANTS AND BRAVES SPLIT DOUBLE BILL

NEW YORK WINS FIRST GAME IN NINTH.

Evers Returns to Second Base in Second, It Being His First Appearance Since He Broke a Bone in his Left Ankle in April—Is Served With a Warrant.

New York, June 29.—New York made it four out of six from the Champion Bostonians by dividing a double header today but New York won the first game when Rudolph weakened in the closing inning. Captain Evers returned to second base for Boston in the second game, it being his first appearance since he broke a bone in his left ankle last April.

Evers was served with papers in a \$25,000 suit for damages instituted by one of several spectators at yesterday's game with whom the Boston captain had a wordy wrangle.

FABER'S TRIPLE BRINGS IN TWO AND SOX WIN

CHICAGO TWIRLER CLINCHES GAME IN FOURTH.

George Sisler of the University of Michigan, Plays First Base For Browns and Puts Up a Good Game.

Chicago, June 29.—For the third time in as many days a triple with men on the bases clinched the game for Chicago. Faber made the triple in the fourth inning after Roth and Schalk had walked. George Sisler, the University of Michigan recruit, played first base. He fielded well, made one hit and scored a run.

Experienced Women Advise Mother's Friend

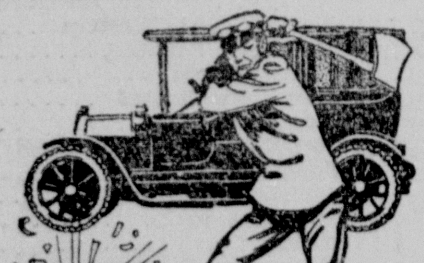

Because it is so perfectly safe to use and has been of such great help to a host of expectant mothers, these women, experienced in this most happy period, advise the use of "Mother's Friend."

Applied externally to the abdominal muscles its purpose is to relieve the undue tension upon the cords and ligaments resulting from muscular expansion. Beneath the surface is a network of fine nerve threads and the gentle, soothing embrocation, "Mother's Friend," is designed to so lubricate the muscular fibres as to avoid the unnecessary and continuous nagging upon this myriad of nerves. It is a reflex action.

Applied to the breasts it affords the proper massage to prevent caking. Thousands of women have reason to believe in this splendid help under the trying ordeal of motherhood. Their letters are eloquent evidence of its great value to women. In use for many years it has come to be a standard remedy for the purpose.

There is scarcely a well-stocked drug store anywhere but what you can easily obtain a bottle of "Mother's Friend" and in nearly every town and village is a grandma who herself used it in earlier years. Expectant mothers are urged to try this splendid assistant to ease, comfort and safety.

"Mother's Friend" is prepared by Bradfield Regulator Co., 510 Lamar Bldg., Atlanta, Ga. Send for our little book. It should be remembered that what is said of "Mother's Friend" is the thought expressed by the thousands of women who have successfully used it and recommended it through two generations.

Mr. and Mrs. Roy McKinney of Lynnville spent Sunday at Sylvanus Scott's.

ASBURY.

The Asbury Ladies' Aid Society will hold a social at the home of E. R. Hembrough Thursday afternoon, July 8. The hostesses will be Mrs. E. R. Hembrough and Mrs. J. A. Hembrough.

Mr. and Mrs. John Foster and daughter Ada and son Lester and Mr. and Mrs. Noah Doyle of Raymond, Ill., spent Sunday and Monday with Mr. and Mrs. E. J. Reynolds. Mrs. Foster, Mrs. Doyle and Mrs. Reynolds were students in the I. W. C. about twenty-three years ago.

Mr. and Mrs. W. W. Hembrough, Mrs. Orville Coultas, Mrs. W. T. Craig, Mrs. Chris Lair, Misses Iva Green, Ruth and Elizabeth Hembrough and Agnes Taylor attended the social at the home of Mr. and Mrs. R. Y. Gibson last Thursday.

Mrs. George Hembrough and Miss Anella Hembrough were Wednesday guests of Mrs. Charles Bealmer near Sinclair.

Mr. and Mrs. John D. Johnson of Jacksonville spent last Thursday at the home of Mrs. Anna Frye.

Mrs. William Craig and daughter, Miss Helen spent Friday afternoon with Mrs. William Mortimer and daughter, Miss Eva.

Miss Mary Johnson was a Friday guest at the home of Mr. and Mrs. Austin Green.

Miss Dorothy York returned home Wednesday from a pleasant visit with her aunt, Mrs. Clarence York in the city.

Miss Alice Green of Jacksonville spent the week end with Mr. and Mrs. W. T. Craig.

Harris Simmons of the city was a Sunday guest of Earl Hembrough.

The members of the Elsinor Club were Sunday guests at the home of Mr. and Mrs. W. C. Carter.

PISGAH

Mrs. Ernest Wood and sons Everett and Samuel, are spending this week with the former's mother and family in Milwaukee.

A. T. Davenport was a business visitor in Springfield last Wednesday.

Several from Pisgah attended the

children's day exercises at Antioch church last Sunday afternoon.

Mr. and Mrs. Otto Wood spent a few days last week with Mr. and Mrs. Heber Austin of Waverly.

A. K. Curry and wife and A. A. Curry attended the automobile races in Chicago last Saturday. They returned home in a new White gas car.

Miss Irene Mills was a shopper in Jacksonville last Saturday.

While cutting hedge last week Earl Rector had them isfortunate to cut his knee in place of the hedge, making the injured member very sore and keeping him from work.

Mrs. Henry Smith, daughter of Mrs. J. A. Dyer, has been a patient at Our Savior's hospital for the past two weeks with little improvement.

LITERBERRY.

A very successful house party was given last week at Sandy Lava and Lillian Kenner of Chicago, Mrs. J. L. Winkler and son Junior of Harlan, Mont., Mrs. Oliver Shurt and daughter Stella of Jacksonville. They had a fine time and lots of fun, being entertained at each of these hospitable homes. Mrs. J. M. Lifer and Mrs. S. M. Crum are well known hostesses and capable of giving a house party any time.

Rev. L. W. Hostetter of Cordova, Ill., filled the Baptist pulpit Sunday morning and evening. Brother Hostetter is a fluent speaker and extolled the bottom of his subject. We believe he would make a good and profitable pastor for any church where brains and baccarat are the cardinal feature. He is a true worker among the young people, also.

Stover Wiley, farmer of Montgomery, has been seriously ill for the last week with pneumonia poisoning. Dr. A. E. Obermeyer of Arcadia, is bringing him out all right.

Mr. and Mrs. J. W. Anderson and children attended Sunday school and preaching at the Baptist church Sunday.

Misses Bertha and Marie Mason of Mapleview, on Gold avenue of Grace Chapel, came up to our town Friday to call on the Serbians.

We had the pleasure of a ride with our efficient highway commissioner, Elmer Henderson, one day last week. We found his roads in good condition considering the great amount of rain we have had. Mr. Henderson is replacing all wooden culverts with concrete.

The children's picnic came off Saturday afternoon on the grounds of the Baptist church, with an attendance of about 200 persons. This picnic began as a children's picnic, but terminated in being everybody's picnic. The program:

First, was a peanut hunt by all the small children. Mildred Underberg received the prize for finding the most.

Second, the best left-hand writing with crayon on blackboard, by a class of six children, Jewell Phelps.

Third, cookie contest, five ladies. Mrs. Wayne Dinwiddie.

Fourth, potato contest, by a class of boys and girls, the girls winning.

Fifth, three-legged race by eight boys. The prize was won by Theodore Thompson and Russell D.

Six, candy making. Ladies. Mrs. Edna Dunlap.

Seventh, rope jumping: Miss Mildred Underberg first, and Mabel Henderson.

Eighth, skipping the rope, second. Miss Bath Olroyd and Miss Stei A. Scribner.

Ninth, singing by the ladies. Mrs. J. C. McKelton.

Tenth, stake driving. S. H. Crum. Refreshments consisted of excellent cake of all kinds, salads, sandwiches, deviled eggs, pickles, iced tea, ice cream and candy, and was in great plenty, the waiters passing heaped up dishes time after time. This was a very successful affair and the committee and managers are to be congratulated on their work.

ARENZVILLE.

Lucius Dyer, formerly of Arenzville, died recently in Kansas. He had been in poor health for the past year. The remains arrived here Sunday noon and at 4 o'clock burial services were held at the house and later at the M. E. church where Rev. W. P. Bowman conducted impressive services. Members of his family include parents, one sister and three brothers. The choir sang several selections. The remains were reverently born to their last resting place and laid away with suitable ceremonies.

Mrs. Robert Hamm and children of Joy Prairie spent the week end with William Green's household.

Residents of this vicinity were surprised the other day by the announcement of the marriage of two young people socially prominent in this community. The wedding took place in Monmouth last week, the principals being Harold Weeks and Mrs. Hazel Orr Graham of Virginia. We wish them the greatest success and happiness. They will reside in this place.

Sam Pendegraft of Beardstown was looking after business matters here Saturday.

Mrs. Lou Weeks of Meredosia is visiting with J. L. Weeks' family.

Mrs. Nellie Ray Rhone of Beardstown is caring for Mrs. T. J. Burrus.

Dr. and Mrs. A. F. Streuter are in St. Louis and the doctor's mother and sister of Meredosia are at the home during their absence.

Mrs. James and Mrs. Looman and son Kenneth, Mrs. Lottie Berger

and daughter Gwendolyn of Meredosia are guests of her cousin, Mrs. Ed. Shrewsbury.

Harve Hausmeyer of Joy Prairie attended the burial of Lucius Dyer.

OAK RIDGE.

Several of the young men of this neighborhood attended the festival at Prentice which was given by the Court of Honor.

Charles Resch was a caller in the brush last week.

B. A. Johnson was transacting business in Jacksonville Saturday.

Misses Mollie and Anna Brown were visiting relatives in the Buckhorn neighborhood Saturday and Sunday.

Oliver Lindsay and H. L. Smith gave a ball in the hall at Prentice last Tuesday evening. There was a large attendance from that community.

Miss Anna Brown was a recent visitor at the home of Ben Williams in Virginia.

Charles Roach was also a visitor in the Buckhorn neighborhood Sunday afternoon and he expected to accompany Miss Mollie Brown on her homeward journey Sunday evening.

The report that Charles Roach had broken his right arm had no verification. He only received slight injuries and will soon be all right again.

MEREDOSIA.

Mrs. R. B. Fields spent Friday with friends in Bluffs.

Fred Einstanton of Chapin was shaking hands with former friends in Meredosia Friday.

Mrs. Joe Peters and two children have been the guests of relatives in Meredosia the past week.

Mrs. Inez Fouché and Cora Hamey of Bluffs visited Friday with Mrs. Jane Waldo and daughter, Nellie.

Mrs. H. C. Harms and daughter, Deloise, arrived home Sunday on the steamer Peoria from St. Louis where they have been visiting for the past two weeks.

Mrs. J. E. Hall and children went to Jacksonville Sunday evening, called there by the death in the home of a friend of the family.

Miss Edna Hall returned to Jacksonville Sunday evening, having spent the day with her parents in this city.

Mrs. Smith of Jacksonville visited from Sunday until Tuesday with Mrs. James Galloway and assisted with the silver medal contest at the Methodist church Monday evening.

Miss Eva Beauchamp returned home Sunday from Jacksonville, where she has been the past few weeks, having been employed at Brown's business college.

Fred Hall, accompanied by his

WOMEN FROM 45 to 55 TESTIFY

To the Merit of Lydia E. Pinkham's Vegetable Compound during Change of Life.

Westbrook, Me. — "I was passing through the Change of Life and had pains in my back and side and was so weak I could hardly do my household work. I have taken Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. I will recommend your medicine to my friends and give you permission to publish my testimonial." — Mrs. LAWRENCE MARTIN, 12 King St., Westbrook, Maine.

Manston, Wis. — "At the Change of Life I suffered with pains in my back and loins until I could not stand. I also had night-sweats so that the sheets would be wet. I tried other medicine but got no relief. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use for six months. The pains left me, the night-sweats and hot flashes grew less, and in one year I was a different woman. I know I have to thank you for my continued good health ever since." — Mrs. M. J. BROWNELL, Manston, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled in such cases.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

REVENUE FIGURES GIVEN IN RATE CASE

(Continued from page four)

tions propounded to Mr. Peck, and at the afternoon session Mr. Little was on the stand for a short time only. Questions asked him were relative to the gas plant equipment and mains. In the estimates prepared under his direction comment was made upon the excessive leakage because of the poor condition of many mains, and his estimate, based on customers' complaints and upon the age record of the equipment, was that the service pipes were in about seventeen per cent condition. It was brought out that since Mr. Peck's examination of the local properties that considerable improvements had been made and that the per cent of condition now would make a much better showing than at the time of the examination.

The next witness to take the stand was C. H. Hubbel, an accountant for the utility commission, under whose direction the company's books and records were examined. Mr. Hubbel stated that the investigations covered examination of the company's books at Champaign for a four-year period ending Dec. 31, 1914, and the examination of consumers' records at the local office for April, July and November, 1913, and for thirteen months in addition ending April 30, 1915. The very detailed report made by the auditors through Mr. Hubbel consisted of about 150 typewritten pages. The figures were compiled to show:

Other merchandise	2,636.27
Total gas expenses exclusive of depreciation	114,982.36
ELECTRICAL REVENUES.	
Average consumers of power, 114; commercial light consumers un-metered, 36; residents or other commercial light consumers, 1,458; total, 1,608.

GENERAL EXPENSES.	
The first item listed under this heading gave the figures of the salaries paid district and general system officers and Mr. Hubbel in answer to questions indicated that district officers meant those in charge of the property in a local way, and that system officers referred to those serving the traction company. He said that his understanding was that the salaries of the general system officers were apportioned among the several properties making up the traction system in accordance with the gross earnings of the properties. He gave these figures on the local utilities:	
District general officers	\$40,256.53
System general officers	5,279.53

CHARGED TO STREET RAILWAY.
The tabulated statement of power furnished by the light company to the street railway showed that the price charges have varied during the past four years from .974c to 1.75c per kilowatt hour. This variation is accounted for by the fact that the plan is to charge the railway the actual cost of the power furnished, and this varies from month to month in accordance with conditions. Mr. Miser said yesterday that the low figure noted above was during a time when the plant was selling power to the city for pumping the north side wells.

FUNERALS.
Green.
The funeral services of James Green, Jr., were held from the family residence on North Main street Tuesday afternoon at 3 o'clock. The Rev. Myron L. Pontius, pastor of Central Christian church was in charge. Music was by Miss Cora Graham, Mrs. Wallace Brockman and Messrs. C. L. Matins and J. Philip Read. There were many beautiful floral offerings and these were cared for by Misses Edna Hall, Louise Robinson, Mary Galtens, Alta Dunlap and Bertha Dyer.

Interment was in Jacksonville cemetery and the bearers were: Fred and Harold Hall, Denham Harney, Leslie Moore, William Cannon and Paul Leurig.

TAX CASES OF RAILROADS IN COUNTY COURT

The tax cases of the railroads with the various districts in the county were called on Tuesday before Judge E. Thomson in the county court. The day was taken up with hearing evidence and of a review of that had already been heard at adjourned Tuesday sessions until today. It is thought that evidence will be in and that the cases will be decided this afternoon. It is noted that when these cases come up that the commissioners of various road districts would be enough to appear in court. It has not been proven the case on Tuesday a number of commissioners were called for witnesses but were not present.

Walk-Over Shoes WIN THE GRAND PRIZE

At San Francisco.

Panama-Pacific Exposition judges give the Grand Prize to the Geo. E. Keith Company for WALK-OVERS. This is the HIGHEST POSSIBLE AWARD and the greatest compliment that could be paid to these world-famous shoes, that already have a record of grand prizes awarded at previous expositions both at home and abroad.

We are the local representatives of the manufacturers of this famous brand of footwear that has won, through merit, the confidence of critical people all over the world. Our own windows now hold some of the most popular styles that helped to win at San Francisco over all competitors.

We illustrate a few of them but to know what shoe style and shoe comfort really are you must give us an opportunity to show you our complete line and demonstrate their wonderful fitting qualities.

WOMAN'S COUNTRY

The regular meeting of the Woman's Country Club was held Tuesday afternoon at the home of Mrs. Charles Davis, south of Orleans, with a large attendance of members and guests. The paper of the afternoon was given by Mrs. George Graff, who had for her subject, "The Clubwoman as Wife and Mother". The subject was ably presented and an interesting discussion followed. Following the regular program a social time was enjoyed and refreshments were served. Mrs. Davis was assisted by Mrs. Hinrichsen and Mrs. Welborn.

FLOWER PARTY CONTEST.

The Sunshine Larkin club met yesterday with Mrs. John Johnson. In the flower party contest the prizes were won by Miss Lois Paschall and Mrs. H. Blenling. The remainder of the evening was spent in a social way and light refreshments were served.

JACKSONVILLE CIVIC LEAGUE WILL ISSUE NEGRO CITY DIRECTORY

Five Hundred Copies Will Be Ordered and One put in Each Home—Election of Officers With Dr. A. H. Kennibrew as President.

At a meeting of the Jacksonville Civil league held last night at the Second Christian church, Frank Mallory, chairman of the committee on business and economics, presented the proof of the negro business directory which was unanimously approved. The committee was instructed to have five hundred copies printed and a copy put in every negro residence in the city. The league hopes thereby to stimulate racial confidence, loyalty, unity and enterprise.

Miss Laura Allen and John Dunn, as secretaries of the delegates to the Illinois Negro Business league presented a stirring report of the work of that body and of the session that has just closed, giving special emphasis to the successful business enterprises that are conducted in Springfield.

The following officers were elected for the ensuing year:

President—Dr. A. H. Kennibrew.
First Vice Pres.—C. W. Tinsley.
Second V. P.—John Dunn.
Third V. P.—Rev. E. M. Harlis.
Fourth V. P.—Rev. Mr. Mackey.
Fifth V. P.—James Young.
Secretary—Dr. R. H. Beverly.
Financial Secretary—Mrs. Laura Lafayette.
Treasurer—Thomas Allen.
Chaplain—Rev. Thomas Herman.

WAVERLY CITIZENS SAY "NO" TO BOND ISSUE

PROPOSITION VOTED DOWN BY A MAJORITY OF SIXTY-SEVEN.

Also Measure to Erect New School Building Lost By a Vote of Thirty-four—Three Sites Were Named for Location of Proposed Structure.

The citizens of Waverly and community voted down the \$40,000 bond issue by 67 votes Tuesday and also defeated the measure for a new school building by a vote of thirty-four. Ever since the new building was proposed for the township there has been much agitation. The voting precinct too included the city of Waverly and about 4,200 acres, approximately a square about the town of six miles.

There were about 1385 votes cast all together. The women and men voted against the bond issue and the women voted in favor of the new school building but the men's vote was what defeated the measure. The school building at Waverly has been inadequate for some time to house properly all the children and more room and better equipment was needed, but it was the added tax that made the vote stand as it did.

There were also three places suggested for the new school building viz, Frank Jolly, southwest part of town; W. E. Miller, west part of town; J. H. Lankton, south part of town, and these constituted part of the vote.

SEALED PROPOSALS.

Sealed proposals will be received till noon, July 7, 1915 for painting at the public library building.

Specifications may be obtained at the office of J. K. C. Pierson, architect, 606 Ayers Bank Building.

WILL TAKE AUTO TRIP.

Thursday morning of the coming week T. M. Tomlinson accompanied by his son Edward and Edward M. Dunlap will leave in Mr. Tomlinson's Ford car for Pentwater, Mich. It is the intention to make the journey by easy stages and the first day Pontiac will be the objective point. Then the route will lead through Kankakee and to Crown Point, Indiana. Saturday a few hours will be spent at Grand Beach where Miss Brown, Miss White and Mrs. J. H. White are at their cottage and in the afternoon Ottawa Beach will be reached. The journey will be resumed Monday morning and travel so timed that the car will roll into Pentwater, Tuesday. Mr. Tomlinson has made this trip in an automobile before so he is thoroughly familiar with the route. Mrs. Tomlinson and daughter will go to Pentwater by train.
